

# Giorgi Otinashvili

Computer Science Student at KIU

Passionate and dedicated computer science second-year student, proficient in mathematics, algorithms, and creative problem-solving. Willing to learn everything that is available. A quick learner and adaptable, excited to dive into new experiences and gain practical soft and hard skills on this journey. Currently building personal projects in .NET framework.

## EDUCATION

### School

Komarovi Campus School (N199 Public)

09/2017 - 06/2022

### BSc Computer Science

Kutaisi International University

09/2022 - Present

GPA 3.63

#### Courses

- Fundamentals of Programming (Java)
- Algorithms & Data Structures
- Fundamentals of Operating Systems
- Fundamentals of Relational Databases & SQL
- Functional Verification and Ocaml
- Computer Architecture

### C# and .NET Development

IT Step Academy

12/2023 - Present

#### Courses

- Fundamentals of C#
- ASP.NET Core MVC, WEB API
- ORM (Entity Framework)

### Summer School 2023

Kutaisi International University

06/2023 - 06/2023

#### Courses

- Arduino Uno
- Soldering
- Raspberry Pi
- Verilog HDL

## WORK EXPERIENCE

### Student tutor

Kutaisi International University

09/2023 - 12/2023

#### Achievements/Tasks

- Conducted interactive group sessions for students enrolled in the Linear Algebra course
- Assisted students with learning, providing assistance with various tasks and problem-solving challenges.

## SKILLS

Java

C#

.NET Framework

MVC

Ocaml

Algorithms & Data Structures

OOP

Github

Relational Databases

Verilog

SQL

Entity Framework

HTML

Arduino

## ACHIEVEMENTS

### KIU Scholarship (09/2022 - Present)

Recipient of a University Scholarship for ranking among the TOP-200 students based on national exam results.

### KIU Dean's List 2023 (09/2023 - Present)

Included in Dean's List for academic performance and dedication to studies.

### KIU Summer School 2023 Winner (06/2023 - 06/2023)

Collaborated with a team of students to successfully compete in a variety of tasks, showcasing strong teamwork and achieving a victory.
