EDUCATION

Computer Science
Kutaisi International University

08/2022 - 07/2026
Courses
- Fundamentals of Programming
- Introduction to Computer Architecture
- Fundamentals of Databases
- Algorithms and Data Structures
- Principles of Operating Systems and System Software

Java Development
EPAM UpSkill

05/2023 - Present
Courses
- Professional Java SE Development
- Modern Professional Java Web Development with Spring
- Building Web Apps with Java
- Spring Security API and Test-Driven Development with JUnit

WORK EXPERIENCE

Student Tutor
Kutaisi International University

05/2023 - 07/2023
Achievements/Tasks
- Conducted interactive group tutoring sessions for students enrolled in the Introduction to Programming course.
- Assisted students in grasping fundamental Python programming concepts, such as data structures, algorithms, functions, and modules.
- Provided guidance in Django framework for web development and helped students integrate databases into Python applications.

Freelancer
Self-employed

01/2022 - 07/2022
Achievements/Tasks
- Designed and developed websites using JavaScript, HTML, and CSS.
- Collaborated with clients to understand their requirements and preferences.
- Implemented responsive design techniques for optimal cross-device functionality.

SKILLS

Algorithms & Data Structures Problem-solving
Object-oriented Programming Java Spring
JUnit Selenium Hibernate JDBC SQL
SDLC STLC Maven Python Django
